

**JAGUAR CLUB EMPIRE DIVISION**  
**LIME ROCK DRIVER'S SCHOOL**  
**June 3 and 4, 2016**

This year our event will be the first weekend after Memorial Day, **Friday June 3 and Saturday June 4**. It will be an **open exhaust event**. The event will also have a race group for 1960's and 1970's (HRG) closed wheel racecars and a few groups of VSCCA vintage racecars.

The school is open to all Jaguar owners and their friends (Jaguar cars do have preference). This event is not just for racecars. This is a driver's school to teach all Jaguar owners (both sports cars and sedans) how to handle their cars at speed on one of America's premiere racetracks.

Each novice is given classroom work and on the track instruction. Friday morning starts with a tech inspection of your car and then a classroom discussion with your instructors then onto the racetrack. First car is on track at 9:00am. Tech inspection will start at 7:30. Driver's meeting at 8:30am Friday. Friday and Saturday Jaguar club will be on the track first. We can't start un-muffled race engines till 10:00am.

**Through the generosity of Herb Wetanson**, one of our members, the paddock party / Friday night dinner will be a **Texas Barbeque**... Ribs, Chicken, Corn bread etc. **John Schieding** is donating the Hummel Brothers hot dogs or as we like to call them **HotDogO'dourves**. As this dinner is free for everyone, **donations in the form of wine, beer and sodas will be gratefully accepted**. If you can't bring a beverage to the dinner think of adding an extra donation to your entry fee to help offset the cost to the club. The club does have to pay for all of the extras at the dinner.

We have free use of the camping area Thursday night and Friday night along with the **new bath and shower facilities** for those who wish to camp out on the grounds. The snack bar will be available for breakfast and lunch.

This event has always been run as a family event. Try and get your whole family involved. Everyone that works on this event is a volunteer club member. No one is paid; even our driving instructors pay the same entry fees as everyone else. We can always use extra volunteers to help make the event run smoothly. To maximize track time the Jaguar Club's muffled cars will have to be the first group on the track Friday. We can not run un-muffled engines till 10:00 am on Friday. We have use of the racetrack both Friday and Saturday until 6:00 p.m.

We would like everyone to have his or her car pre-teched before you get to the racetrack. If anything is found wrong or unsafe on the car when you have it pre-teched you will have plenty of time to fix it. **Please bring your completed inspection form with you to the track** (do not mail them with your entry form). Pre-tech can be done at any race prep type shop. If you can't get to one of them please call to make other arrangements. Racecars will be teched at the track like any regular race events but please bring your tech forms and log books with you.

**You can fill out the Application PDF form** before you print and mail it by using your "Tab" key and typing on the form. Some questions might not be for your group on the entry form.
